HOME DEPARTMENT.

KING'S POLICE MEDAL

(POLICE.)

Delhi, the 13th February 1917.

No. 703-C.—His Majesty the King, Emperor of India, has been pleased to confer the King's Police Medal on the following officers and men of the Indian Police establishments :—

MADRAS.

Name of officer and rank.	Statement of services for which in particular the decoration has been conferred.
1. Cyril Edward Sweeney, Ag. Superintendent of Police.	During the year 1915 an armed gang of dacoits was operating in the Vizagapatam and Godavari districts. Among their many crimes they looted a police station from which they secured arms and ammunition which they subsequently used in their depredations. The state of affairs had become so serious that in December 1915 Mr. Sweeney was placed on special duty to round up the gang. From then until June 1916 Mr. Sweeney was working in jungles which have been described as the most feverish tract in the Presidency. After the occurrence of a dacoity in December 1915, Mr. Sweeney personally followed up the gang through the Vizagapatam and Godavari Agencies, and arrested ten members. In addition 21 supporters were arrested of whom 19 were convicted under section 412, Indian Penal Code. Finally, one original member was shot, and six arrested, three supernumerary members were arrested and the whole gang was disarmed and broken up. By his persistence and personal efforts Mr. Sweeney succeeded in bringing the Agency villagers and their headmen to their senses, not only preventing a serious increase in the numbers of the gang and a possible rebellion, but also inducing them to give information of the movements of the gang. He has shown conspicuous devotion to duty and rendered services of very high value.
2. Alfred Francis Bulkley, Assistant Superintendent of Police.	On 24th October 1916, a well-known desperado of Palghat enticed his wife to the upstairs verandah of a neighbour's house, murdered her and pulled up the ladder leading to the verandah. There he remained armed with a sword and defying anyone to approach. The house was surrounded by a large mob who pelted the man with stones which he hurled back. Receiving information of this, Mr. Bulkley proceeded to the house and tried to induce the man to surrender quietly, but in vain. Finally, he climbed to the roof of the lower verandah by a ladder and thus secured access to the upper verandah. The man then surrendered quietly. Mr. Bulkley behaved with bravery, as it was extremely probable that, excited as he was, the murderer would resist capture to the end.
3. Kandaswami Mudali, head constable, Chingleput District Police.	On 18th December 1914, a serious riot occurred between Muhammadans and Hindus at Pattu, a village near Poonamallee. Head constable Kandaswami Mudali, who was one of a party of police posted in the village to prevent a breach of the peace, did his best to keep the parties separate, as soon as it was evident that a riot was likely to occur, but with the other members of his party was brushed aside by the Muhammadans, while the Hindus who were in the minority fled to their houses or left the village. The Sergeant in charge of the party went off to give information at the police station and without his superior officer the head constable continued to endeavour to restrain the Muhammadans and ceased only when stunned by a blow from a big stone. As soon as he recovered, he renewed his efforts, working incessantly at putting out the fires started by the Muhammadans, keeping the remnant of his party together and helping the inmates of the burning houses. Finally, he was seized by the Muhammadans and put in front of their party and was wounded by buckshot fired by a Hindu to prevent the former from entering one of their houses. Throughout the riot he displayed the greatest bravery.
4. Muhammad Ali, constable, Chingleput District Police.	This constable was with head constable Kandaswami Mudali in the thick of the riot at Pattu on 18th December 1914 and backed him up in trying to restrain the rioters. Though a native of Pattu, related to most of the Muhammadan rioters, he loyally withstood their inducements and threats and refused to give false evidence to the effect that the Hindus themselves had set fire to their houses: he was instrumental both by his own efforts and by the information he reported in raising several absconding rioters.
5. Vepa Kommah Subramania Ayyar, third grade head constable, Cuddapah District Police.	Two burglars having entered the backyard of a house and made a hole in the wall, the inmates, who were sleeping outside, went for assistance and returned with head constable Subramania Ayyar, then a recruit constable, and some others. The head constable jumped over the compound wall and seized one of the thieves who was armed with a dagger. The thief pinned him down and stabbed him several times, but in spite of numerous injuries on the head, face and hands and although two men who came to his assistance were scared off by the thief, the head constable retained his hold on his captive till further help arrived and the desperado was overpowered. The two thieves were convicted.

ACQUISITION OF LAND.

Fort St. George, February 23, 1917.

Whereas it appears to the Government that the land noted in the margin in No. 247, Shrotriem Pammal village, Saidapet taluk, Chingleput district, is likely to be needed for the purpose of the establishment of a criminal settlement, notice to that effect is hereby given to all whom it may concern in accordance with the provisions of section 4 (1) of the Land Acquisition Act I of 1894. The Governor in Council hereby authorizes Mr. F. L. എന്നീ വിധപ്രകാരം മാസപ്പടി കയറിക്കൊടുക്കുന്നതിനും എന്തും ചെയ്യാൻ പോകുന്നു ഇന്ത്യാ സ്റ്റേറ്റ് സെക്രട്ടറി അനുമതിച്ചിരിക്കുന്നു എന്ന അഭിപ്രായം സഭയിൽ ബഹുമാൻ ജനറൽ പ്രസിദ്ധമാക്കിയിരിക്കുന്നു.

ഇങ്ങിനെ മാസപ്പടി കയറാറിള്ളതല്ല 1917 ജനവരി 1 - ാം തീയതി മുതൽക്കു പ്രാബല്യപ്പെടുവത്തന്നതും അതുകൊണ്ട്.

ദിനംതോറും ഭക്ഷണ പദാർത്ഥങ്ങൾ കൊടുക്കുന്നതിനുള്ള ഏർപ്പാടുകൾ ചെയ്തിയാകുന്നതുവരെ ഹർജ്ജിക്കാരും കല്പനയിലും ഇപ്രകാരമുള്ളവരല്ലാത്തവരും മേലുദ്യോഗത്തിന്റെ വിവേചനപ്രകാരം ഭക്ഷണപദാർത്ഥങ്ങൾ കിട്ടാത്തവരും ആയ ഇന്ത്യാ ഗവർമ്മെന്റിന്റെ കോമ്പൗണ്ടർ റാങ്കിലുള്ള എല്ലാവർക്കും 1917 ജനവരി 1 - ാം തീയതി മുതൽക്കു ഭക്ഷണത്തിനുള്ള സാധാരണങ്ങൾ കൊടുപ്പാൻ ഡിപ്പാർട്ടുമെന്റുകയായി ഏർപ്പാടുകൾ ചെയ്വാൻ കഴിയുന്നതുവരെ മാസംതോറും 2 രൂ വീതക്കാലമായി ഒരു റേഷൻ അലവൻസ് കൊടുക്കുന്നതാകുന്നു. ഈ സംഖ്യ ഭക്ഷണത്തിനു സാധാരണങ്ങൾ കൊടുത്തുതുടങ്ങുന്നതുവരെ സാധാരണയായി ഭക്ഷണസാധനങ്ങളുടെ ശിക്ഷയായി കൊടുക്കുന്ന പണത്തിനു പുറമെ കിട്ടുന്നതാകുന്നു. ഭക്ഷണത്തിനു സാധാരണങ്ങൾ കൊടുത്തുതുടങ്ങുമ്പോൾ ഈ പണമായ അലവൻസും പ്രാബല്യം നിന്നുപോകുന്നതാകുന്നു.

ഒരു കല്പന കല്പിക്കുന്നതിനു മുമ്പായി ചില പ്രദേശങ്ങളിൽ ചെലവുചുരുങ്ങാതെ ഭക്ഷണപദാർത്ഥങ്ങളുടെ അവകാശപകരം പണമായ ഒരു അലവൻസും കിട്ടുന്നവരുടെ കാര്യം, ഭക്ഷണപദാർത്ഥങ്ങളുടെ അവകാശപകരം പണമായ അലവൻസും പുതുതായി കൊടുത്തുതുടങ്ങുന്നതുവരെ ഇതുവരെയുള്ളതുപോലെ ഭക്ഷണപദാർത്ഥങ്ങളുടെ പണമായ അലവൻസും കിട്ടിക്കൊണ്ടുതന്നെയിരിക്കും.

ഇതുകൊണ്ടു മാസംതോറും 2 രൂ 8 അണക്രമത്തിൽ ഉദ്ദേശിച്ചിട്ടുള്ളതായി ഗവർമ്മെന്റ് ഇതുവരെയും കൊടുത്തുവന്നിരുന്ന അസ്സാമിലെ പട്ടാളക്കാരെ 1917 ജനവരി 1 - ാം തീയതി മുതൽക്കു ദിവസംതോറും മേലുദ്യോഗത്തെ ഭക്ഷണപദാർത്ഥങ്ങൾ കിട്ടുന്നതാകുന്നു.

RULES OF THE AGRICULTURAL COLLEGE, COIMBATORE.

[N.B.—*These rules are subject to such alterations as may from time to time be ordered.*]

OBJECT.

1. The College is intended for the scientific and practical training of those who intend to make Agriculture their main profession.

CONTROL.

2. The responsibility for the discipline and management of the College is vested in the Principal under the control of the Director of Agriculture, Madras. Certain matters which are specifically mentioned in these rules are, however, decided by a Board, composed of the heads of all the teaching sections and called the "College Board."

COURSES.

3. (i) Two courses of instruction are given at the College. The first course is complete in itself and extends over a period of two years. The second course, which is in continuation of the first and which is intended to give further training in the sciences allied to Agriculture, lasts eighteen months.

(ii) The students of each year form a separate class.

(iii) The number of students in each class in the first course shall ordinarily be 40 and that in each class of the second course 20.

4. *Admission.*—(i) *First course.*—Students from all parts of India, without distinction of caste or nationality, are eligible for admission, but preference will be given to those from the Madras Presidency and Coorg. The Principal has full discretion to choose from amongst the applicants those whom he considers most suitable; but in making the selection he will endeavour, as far as possible, to ensure that all parts of the Presidency are fairly represented. Candidates must have reached the age of eighteen years on or before the 15th of May in the year when application is made, and must produce the following certificates:—

(a) Certificate of physical fitness, granted by a registered medical practitioner.

(b) Vaccination certificate, showing that the candidate has been vaccinated or has had small-pox after the age of 10.

(c) University certificate, if any.

(d) Testimonials of good character covering the previous two years.

(e) Leaving certificate from the last school or college.

Candidates must apply to the Principal on or before the 15th of May in each year and applications must be in their own handwriting in the form prescribed in Appendix I to these rules.

Students who fail in the examination at the end of this course may, at the discretion of the College Board, be permitted to attend the second-year classes again and appear once more for the examination.

(ii) *Second course.*—Candidates for this course must have already obtained the certificate in the first course and have passed the Matriculation Examination of the Madras University or some other examination declared by the Government to be equivalent thereto, or possess a Secondary School-leaving Certificate showing that they have secured 45 per cent or more marks in English and 35 per cent in other subjects. Students who have not the qualifications stated above may be permitted to take the course if the College Board is satisfied that they are likely to benefit by the instruction to be given therein.

Application for admission should be made to the Principal after completion of the first course and before the 15th of May in any year. Final orders will be passed thereon by the College Board.

Students who have failed in the examination held at the end of the second course may be permitted by the College Board to attend the last half year's classes again and appear a second time for the examination. They will be re-examined in all subjects.

4. (a) Students of both the first and second courses will be taken on tours of enquiry to such places as may be fixed by the Principal under the orders of the Director of Agriculture. During such tours they shall be entitled to single third class fare for journeys by rail and four annas batta for each day of absence from Coimbatore.

Fees and Scholarships.

5. No scholarships are awarded by Government for study at the College.

6. No fees will be charged for tuition or lodging to students from the Madras Presidency or Coorg. Students from other parts of India will pay a fee of Rs. 240 a year for tuition and lodging; this sum is payable in advance in instalments of Rs. 80 per term. Students from the Madras Presidency or Coorg, if re-admitted after failure in either course, will pay a fee of Rs. 80 per term in advance. In the case of students from places other than the Madras Presidency and Coorg who may be re-admitted after failure in either course, the fee will be Rs. 80 per term payable in advance.

7. Every student, on joining the College, shall deposit a sum of Rs. 5—caution money—to cover fines, breakages, etc. Any balance at the credit of the student will be re-paid at the close of the course.

8. A fee of Rs. 2 per term will be levied as a combined subscription to the Athletic Club and the Reading Room.

9. Students must provide themselves with their own books, but as most of the instruction is given in lectures and field classes, the expense under this head will be small. They must also, on joining the College, provide themselves with the uniform prescribed for games and ceremonial occasions, the total cost of which is about Rs. 13. This should not require renewing during their course. It is also desirable that they wear as far as possible the dress customary at the College for field work which costs about Rs. 12.

Terms.

10. The first session commences in the first week of June; new students being admitted on probation on June 1st and new classes being made up on June 6th. The College year comprises three terms of study as follows:—

First term—June 7th to September 15th.
Second term—October 1st to December 17th.
Third term—January 7th to March 31st.

Examinations.

11. All students shall appear at examinations as required by the College Board and shall not be held to have completed their course unless they appear. The examination for students of the first course will be held about the 15th of March at the close of the second year. The examination for students of the second course will cover all subjects in both courses and will be held about the 1st of December at the end of the course.

Certificates.

12. A student who completes the first course and passes the examination held at the end thereof will be given a certificate, in the form set out in Appendix II* to these rules, called the "Certificate of Proficiency in Practical Agriculture."

A student who completes the second course and passes the examination at the end thereof, will be given a "Diploma of Agriculture" in the form set out in Appendix III* and will be designated "Licentiate in Agriculture," a title which will be recognized in official publications.

Every student who completes either course, shall, whether he succeeds or fails in the examination, be granted by the Principal a leaving certificate, in the form set out in Appendix IV.*

Prizes.

13. Three prizes called the Robertson, the Clogstoun and the Keese prizes are awarded annually at the College. The rules regulating the grant of these prizes are set out in Appendix V.*

Leave.

14. Leave of absence can be obtained only on application to the Principal.

15. The vacations at the College are—

(1) Mid-summer vacation from April 1st to June 6th.
(2) Michaelmas holidays from September 15th to 30th.
(3) Christmas holidays from December 18th to January 6th

The occasional holidays allowed by the educational rules shall, at the discretion of the Principal, apply to the College.

Punishments.

16. Students are liable to punishment by the Principal for breaches of discipline, neglect of their studies, general failure to profit by the course of instruction or for any other sufficient reason.

No student shall be expelled, or permanently or temporarily rusticated except by the College Board

Hostel.

17. All students are required to reside in the hostel attached to the College.

18. They shall also ordinarily have their meals in one of the College messes, which will be arranged as far as possible by caste.

19. Every student on joining the hostel must deposit a sum of Rs. 15, the balance of which will be refunded when the student leaves. He must also pay a monthly fee of As. 8 to cover expenses of management, etc.

20. On joining a mess, a registration fee of Re. 1 is payable, and a monthly sum of approximately Rs. 13 which provides for two meals and two tiffins a day.

4. Tenders to be superscribed in the manner classified in paragraph 1 and on the covers the words "Tenders for hospital supplies" written. Each tender must contain not only the rates, but the total value of each item of supply entered in a separate column, the items in which must be totalled up showing the aggregate value of each entire tender.

5. Each tender must be accompanied by a deposit (in Government Promissory notes or Bank receipts) as earnest-money of the amount noted against each article. When several articles are tendered for, one Bank receipt for the total amount of earnest-money will be received. In default of such deposit the tender will be rejected, nor will any tender be received after the time fixed for the opening of tenders. *No deposit will be returned.* This deposit will be returned to unsuccessful tenderers immediately and to the others as soon as they have lodged the security mentioned in paragraph 7 infra.

6. No person making a tender shall be allowed to withdraw his tender for the space of thirty days from the date thereof, and, in the event of his so doing, his deposit shall be forfeited to Government.

7. The successful tenderer must within three days from date of receiving intimation that his tender has been accepted, lodge security, viz., 10 per cent on the total value of the articles, failing which his deposit will be forfeited to Government.

8. No advance of cash will be made to the contractor.

9. Bills on presentation will be passed by the Accountant-General for payment at the Madras Bank after delivery of the articles.

10. A fine, not exceeding 10 per cent of deposit money, will be levied for any infringement of the stipulations of the bond, and, if frequently repeated, the contract will be annulled and the security confiscated to Government.

11. The contract must not be sublet. The contractor's security, if not confiscated, will be returned to him immediately on completion of his contract.

12. The Superintendent reserves to himself the right to decline or accept the tender for any one or more of the articles tendered for by the successful tenderer without assigning any reason for so doing.

13. The Superintendent also reserves to himself the right of rejecting tenders without assigning any reason for so doing.

14. The successful competitor will be required to pay the value of the proper stamp duty on the contract.

15 Government promissory notes lodged as earnest-money or security deposit for a period of twelve months or less *shall not be endorsed over to the Superintendent but shall remain in the name of the depositor.* Government will appropriate or cancel the notes as per G.O. No. 2358, dated 31st March 1890, authority to that effect being duly entered in the contract or other document executed by the depositor.

16 With reference to the stipulations contained in the preceding paragraph 15, the tenderer should attach a certificate to his schedule or schedules to the following effect.—

"*I, the tenderer, agree to have the earnest-money if in Government promissory notes or Bank receipts confiscated to Government in case of my failure to undertake the contract.*"

17 No articles shall be supplied to the hospital except on authority signed by the Superintendent or by some responsible person authorised by him in writing to do so.

18. Printed forms of tenders can be had on application at the Voluntary Venereal Hospital, Madras.

19. If approved and tender accepted, the samples received will be counted as part of the supply If rejected, the samples will be paid for at the tender rates. Tenderers are distinctly to understand that, if the tender be accepted, the balance of the article or articles required must be in every way equal to the approved sample. The opinion of the Superintendent to be final on this point.

The deposit of unsuccessful bidders will be returned to them at the conclusion of the sale.

4. The sales will be subject to confirmation by the Conservator of Forests who does not bind himself to accept the highest or any bid. It is possible that the Conservator of Forests will himself be present at the time of sale and the result of sale will therefore be announced on the spot.

5. Each purchaser shall, immediately after a lot is knocked down to him, sign his name at foot of the sale list in the column provided for the purpose. Such signature shall be held as an admission on his part of having bought the lot

6. Immediately after the sale, such purchaser, if his offer has been accepted by the Conservator of Forests for that lot, will be furnished with a memorandum showing the total amount due by him and shall remit the same, less the earnest deposit referred to above, into the Bank of Madras at Coimbatore, Ootacamund or Madras within ten days from the date of receipt by him of the memorandum confirming the sale

The purchaser must take delivery of the sandalwood after payment, within 15 days from the date of receipt by him of the order confirming the sale If he or his accredited agent does not attend on the due date for the weighment of the sandalwood purchased, no further weighment will be made, i.e., no dryage will be allowed and the weight announced at the time of sale must be accepted by him. If however no reweighment on excess should be found, the purchaser shall have no title to the excess.

9. On presenting the chalan to the Range Officer, Satyamangalam (for Coimbatore sandalwood), and Sigur (for Nilgiris sandalwood), for the payment in full of the value of the sandalwood purchased by such purchaser the wood will be weighed as it is, in the depot, in his presence or that of his accredited agent. No further cleaning or classification of the sandalwood will be undertaken by the Forest Department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department must be accepted. Should any deficiency occur after weighment the value of the deficiency will be refunded to the purchaser or if no excess is found it shall be paid for by him.

10. The purchaser shall bear the cost of weighment at the time of delivery.

11. The purchaser will be allowed one week from the date of delivery after weighment to remove the wood during which period, it will be kept in the depot at his risk. If the purchaser fails to remove all the wood within that period demurrage will be charged at the rate of Re. 1 (one) per diem until the 30th April 1917, after which date any sandalwood remaining unremoved will become the property of Government.

12. No sandalwood can be removed from the depot till a licence to remove sandalwood, signed by the officer of the Forest Department who weighed out the wood, shall have been obtained and till every piece of sandalwood that can be stamped has been stamped with the district "sale hammer."

Report of the Select Committee on the Bill to regulate the rate of interest and the transfer of land in the Ganjam and Vizagapatam Agency tracts together with the Bills amended by the Committee 312

Bill introduced into the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

The following Report of the Select Committee on the Bill to regulate the rate of interest and the transfer of land in the Ganjam and Vizagapatam Agency tracts together with the Bill as amended by the Committee, is published for general information :—

To

THE HONOURABLE THE COUNCIL OF THE GOVERNOR OF FORT ST. GEORGE FOR THE PURPOSE OF MAKING LAWS AND REGULATIONS.

We, the undersigned members of the Select Committee appointed to consider the Agency Tracts Interest and Land Transfer Bill, have the honour to submit the following report to the Council.

(1) Memorial from the District Association, Vizagapatam, dated the 8th November 1916 (Paper No. 1).
(2) G.O. No. 2745, Home (Judicial), dated the 21st November 1916 (Paper No. 2).

2. We have considered all the clauses of the Bill and certain amendments proposed by the Government, together with the papers noted in the margin which were referred to us.

3. The question of including the Gödävari Agency in the scope of the Bill, which was raised in G.O. No. 2745, Home (Judicial), dated 21st November 1916, was considered. We agreed after some discussion that the Gödävari Agency might with advantage be included.

4. The question was raised whether it was intended by clause 4 (1) to restrict transfers of standing crops. We agreed that it was not intended and have inserted

under clause 2 a sub-clause, adopted from the Transfer of Property Act, to the effect that "immovable property does not include standing timber, growing crops or grass."

5. It was suggested that the definition of "transfer" in clause 2 should be modified in such a way that leases for comparatively short periods, such as a year or two years, should not be subject to the prohibition contained in clause 4 (1) but it was decided by a majority that it was desirable to retain the restriction on all leases since any relaxation of this provision would open the way to evasions of the law.

6. *Clause* 4.—(i) We are of opinion that it is not necessary to empower the Agency officers to decree ejectment without application from an interested person because it will be only from interested persons that those officers are likely to receive information of transfers made in contravention of the law. We have accordingly omitted the words "*suo motu* or" occurring in sub-clause 2.

(ii) The words "either" and "or deal with the land in any other manner that may be prescribed" occurring in sub-clause 2 have also been omitted as in practice the land will always have to be restored to the transferor or his heirs if any action is taken.

(iii) We consider that provision should be made for appeals against original orders or decrees of Agents under clause 4 (2) of the Act and we have suitably modified sub-clause 3.

7. As suggested by Government we have added a new clause (new No. 6) laying down that immovable property owned by a member of a hill tribe shall not be liable to be attached and sold in execution of a money decree, except as and if prescribed by rules made under the Act by the Governor in Council; but have not considered it necessary to provide for rules for the execution of money decrees otherwise than by sale.

8. We have inserted a provision to the effect that the Bill shall not affect transfers made or debts or liabilities incurred before the commencement of the Act.

9. The question of the interference of the Bill with a landholder's remedies against a ryot under the Estates Land Act, 1908, and the provisions of that Act regarding relinquishment by a ryot and the first charge declared by section 5 of that Act was fully discussed; and we came to the conclusion that specific provision should be made to obviate such interference. This has been included as clause 6 (2) of the Bill.

10. The other alterations we have made in the Bill are either verbal or merely consequential.

11. We recommend that the Bill as amended by us be passed into law.

(2) Where a transfer is made in contravention of sub-section (1), the Agent to the Governor or any other prescribed officer may, on application by any one interested, decree ejectment against any person in possession of the land claiming under the transfer and may restore the land to the transferor or his heirs.

(3) Subject to such conditions as may be prescribed, an appeal against a decree or order under sub-section (2) if made by the Agent shall be to the Governor in Council and if made by any other officer shall lie to the Agent whose decision shall be final.

8. (1) This Act shall not affect transfers made or debts or liabilities incurred before the coming into force of this Act.

(2) Nothing in this Act shall affect a landholder's right to proceed against the ryot in accordance with the provisions of the Madras Estates Land Act, 1908, or the first charge declared by section 5 of that Act, or the provisions of the said Act regarding relinquishment by a ryot.
